Dear Mr. Hanawalt:

.....

I am advised the advertisement relating to Central Intelligence Agency employment carried in the copy of the Haight-Asbury Tribune, which you forwarded, was not sponsored by the Agency or by the U.S. Government. It is a photographic reproduction of an advertisement which was sponsored in the College Placement Annual which is circulated to colleges and universities for distribution to students and alumni who are actively seeking employment.

It is noted that the page heading, and the words sketched in the border of the page surrounding the ad in the Haight-Asbury Tribune are intended to ridicule the Agency and the United States Government. This questionable paper is not one that would be utilized for advertising for government employment.

.....

Sincerely,

25X1
